

Overview: The 72 Basic, built to last a lifetime, has the same high quality body and powerful construction as the 72P with some minor modifications.

Benefits: The “no frills” version of the 72P, The 72 Basic is built with a standard base and standard casters, to make this more in line with the industry standard and overall expectations of laundry carts. The 72P Basic has an optional lockable lid and door to deter theft and secure goods during transport and storage. Its body is made of the stronger and lighter High Density Polyethylene (HDPE) compared to competitors that use Linear Low Density Polyethylene (LLDPE) The 72 Basic, like all Meese carts, has a metal free interior to avoid snags and tears.
