

Description: This unique, versatile product is an attractive, dependable, electricity-free Keg Cooler that is a perfect addition to any outdoor event.

Benefits: The Keg Cooler is totally self-contained with no unsightly parts or containers exposed, making it preferred by caterers and party planners across the country. Since electricity is not needed, the Keg Cooler is literally usable anywhere. Contents will stay cold for up to 12 hours — ice can be added to extend coldness beyond 12 hours. It comes in a variety of colors and can be branded with the customer's logo, if requested.

Standard Features:

- Rotationally molded from waterproof, chemical-resistant High Density polyethylene (HDPE)
- Injected with polyurethane foam for insulation
- Removable top
- CO2 tank included (Pressure for 1 1/2 Keg)
- Tap with universal tap handle attachment
- Ergonomic rear push handles
- Drain hole in bottom
- Two 8" x 2" rigid black, rubber, non-marking casters in rear, and two 5"x2" swivel casters in front, one with lock

Featured Options

- Permanent, molded-on logos, graphics
- Assortment of colors to choose from
