

# 27P14 UTILITY-TRUX

## PRODUCT INFO SHEET

The 27P14 feeder truck makes flatwork feeding fast, easy and efficient.

The The 27P14 fits neatly in the finishing area.

The smooth interior doesn't grab or snag.

**Overview:** This single rib rugged cart is found primarily in laundries, designed to handle heavy wet loads of linen.

**Benefits:** The 27P14 offers easy handling, loading and unloading of bulky items and has a rolled top for easier handling and transportation. It is made of the stronger and lighter High Density Polyethylene (HDPE) compared to Linear Low Density Polyethylene (LLDPE), common with many competitors. And the 27P14, like all Meese carts, has a metal free interior to avoid leaks, snags, tears and damage to the contents of the cart.
