

MAT CART PRODUCT INFO SHEET

Overview: For decades, Meese has set the standard in rotomolded plastic carts. From hospitals to industrial laundries, our poly carts have earned a reputation for unmatched durability, smart design, and consistent performance.

We're bringing that same legacy of trust and quality to metal.

Benefits: Built to shoulder the weight of multiple industrial floor mats with ease, our Metal Mat Cart is tough, stable, and ready for the long haul. This workhorse is engineered to perform in high-volume laundry environments where ruggedness is non-negotiable.

Standard Features:

- Heavy duty powder coating
- (2) Corrugated metal suspended shelves with a flat sturdy metal bottom
- Four 6" X 2", gray rubber non-marking premium casters
