Description: This unique, versatile, durable floating game table is perfect for a variety of pool-side party games.

Benefits: The Texas Float'em rotomolded water game is sized to accommodate up to six players, designed with a molded-in cup holder and recessed chip rack for each player and comes with a deck of waterproof playing cards and plastic poker chips. Texas Float'em features a one-piece, rotationally molded plastic (HDPE) card table that floats on the water yet keeps the cards and chips safely corralled. It's waterproof and UV-resistant and durable to last year after year while achieving proper buoyancy for enjoyable gameplay. And, for more pool party entertainment, flip the card table over to play Beer Pong or Bean Bag Toss.

Features

- Hexagonal table with six integrated cup and chip holders
- Outer border is made of rotationally molded, durable polyethylene
- Casino-style playing surface is a semi-transparent acrylic
- Perfect for other card games in the pool
- Includes a quick dry, mesh bag for chips and cards
- Additional waterproof playing cards sold separately
